End-User License Agreement and Privacy Policy

By registering to use a Pearson Education online learning system, I certify that I have read and agree to the **Pearson End-User License Agreement and Privacy Policy** and the **Pearson Privacy Statement**.

I understand that my personal information may be stored in and/or accessed from jurisdictions outside of my resident country. I consent to this storage and/or access.

The personal information that I use with a Pearson Education online learning system can include my name and contact information, my answers to questions that are part of the course, my marks on tests or other course requirements, and any comments about me made by my instructor.

Pearson Privacy Statement

[Pearson End-User License and Privacy Agreement](#) to which end users consent when registering for a Pearson application.

Information considered by Pearson to be Personally Identifiable Information ("PII") is: your full name, address, email address, username and password, phone number, and credit or debit card information. The name of the school you attend or your workplace, date of birth, personal interests, and grade information is also considered personally identifiable information when combined with PII.

PII may be used by Pearson to facilitate subscription processing, validate access rights upon login and provide a personalized user experience, and help us improve our products. It will be treated confidentially
